We present the exclusive Gemma Model, a contemporary residence that sets new standards in modern living. This property features three spacious bedrooms designed to ensure comfort and privacy, along with two fully equipped bathrooms finished with top-quality materials. The home offers a built area of 144 m², functionally distributed to optimise the available space. The private 350 m² plot provides a peaceful and exclusive environment for its residents. Among its key features are a private swimming pool, a pre-installed 93 m² basement adaptable to various needs, and a covered garage to protect the vehicle. The architectural design prioritises spaciousness, natural light, and comfort, with large windows and a strategic orientation...(Ask for More Details!)
