Modern residential development of newly built villas in Pinar de Campoverde. A small development of just 5 villas, all built on a single level with a layout consisting of 3 bedrooms and 2 bathrooms, an open-plan living-dining-kitchen area, fully equipped with a central island and views of the private pool, on independent plots starting from 300 m². Each villa also features a large solarium – perfect for enjoying the sun and beautiful views all year round. The villas are in a privileged location, next to the natural park R  o Seco and close to local amenities, sports facilities, and the nearby Lo Romero Golf Course, the Spanish...(Ask for More Details!)
