This beautifully renovated top-floor apartment offers three bedrooms, a private rooftop solarium, a storage room, and is located in a well-maintained residential community featuring a communal swimming pool and a private park for residents. The property has a total built area of 80 m² and has undergone a high-quality renovation. All furniture and appliances have been completely replaced, while both the kitchen and bathroom have been fully refurbished to a modern standard. The main floor comprises a bright living room, a semi-open-plan kitchen, a bathroom, two bedrooms, and access to a charming terrace with attractive open views. The terrace is fitted with warm ambient lighting, creating...(Ask for More Details!)
