Step into a world of refined elegance with this extraordinary luxury villa, a true masterpiece designed for those seeking an exceptional lifestyle. Set within one of the most exclusive residential areas, this contemporary residence stands out for its architectural sophistication, premium materials, and an impressive 806 m² plot thoughtfully distributed across three levels: basement, main floor, and upper floor. Private Dual Access With two separate entrances on different streets, the property enhances both privacy and convenience. The grand main entrance welcomes you through an imposing door leading to a large terrace—an idyllic setting for gatherings, relaxation, and unforgettable sunsets. The secondary entrance, located on the lower level, grants direct access to...(Ask for More Details!)
